

B.14.14: ORGANIZATION OF SPECIALIST MEDICAL & DENTAL CAMPS THROUGH MEDICAL COLLEGES IN TRIBAL HOSPITALS

Medical & Dental Camps are organized in tribal RH/ Sub-district hospital to provide specialty services to tribal patients. As there is no availability of specialist in Rural or Sub-district hospital in tribal area, these camps has to be organized with the help of Government or Private Medical colleges. The specialist from other Public Health institute should be provided for the camp wherever specialist from medical college will not be available.

Services of the Specialists from Medicine, surgery, pediatrics, OBGY, ENT, Orthopedic, Skin & V.D, Anesthesia and Dental faculty should be made available in the camps. Other specialties such as Ophthalmology, Pathology will be requested as per need to provide the specialist services.

Wide publicity of camps are made through Health Machinery and local non officials. The program of camps is intimated in advance to all Health Care providers in camp area.

Camp are organized for four days, first day OPD Screening is done. Second & Third day the Surgeries are performed & Fourth day Post operative follow up is provided.

The budget provision is made for Honorarium to the specialist, Hiring of Vehicle for a specialist transport, staying arrangement for specialists, Specialists for camps, Medicines and consumables & Transport of patients.
